About Al Qarib

Al Qarib Wood Industries LLC, experts in the manufacturing and trading of round logs, lumber, and other wood products made from softwood and hardwood. We are a young, powerful firm that is fast growing as a result of the high standards we uphold in the procurement of our raw materials, in the execution of our manufacturing procedures, and in the industry-specific knowledge of our team members.

AL QARIB WOOD INDUSTRY LLC focuses on the manufacturing and trade of round logs and lumbers made of softwood and hardwood, as well as other wood products. Having been in the industry for more than 12 years, we work hard to meet the demands of our clients and provide reliable outcomes.

We are a young, powerful firm that is fast growing as a result of the high standards we uphold in the sourcing of our raw materials, in the execution of our production procedures, and in the industry-specific knowledge of our team members. We go above and above to meet our clients' expectations, and we work hard to continuously provide results.

” We rank among the largest importers of round logs, sawn timber and other forest products in the Arabian Gulf. We possess decades worth of knowledge in saw-milling and procuring various species of quality round logs and lumber.

Why Choose us

Best Timber

We source our products from sustainable and well managed forests.

Heat Treatment

State of the art Kiln facility for heat treatment for our products.

Saw Miller

We are one of the biggest and most progressive sawn timber exporters of UAE.
